

1U RACK MOUNT, 12 SLOTS, DUAL POWER AC 110VAC, MINI MEDIA CONVERTER CHASSIS

The Media Converter chassis is capable of housing up to 12 mini media converters. You can start with a single media converter, and grow to 12 Media Converters.

The chassis allows you to install multiple media converters in an equipment rack. The chassis is 1RU for 19" racks/cabinets. This provides for space saving and a method for managing you cables neatly. The chassis comes with universal AC to DC power supplies. For maximum availability, a redundant power supply and dual fans are installed in the chassis.
